MOTION TO ACCEPT SUPPLEMENTAL JOINT REPLY COMMENTS

Bay-Lakes-Valley Broadcasters, Inc., the licensee of WGBM(FM), Mishicot, Wisconsin, by its attorney, and Great Lakes Radio, Inc., the licensee of WCMM(FM), Gulliver, Michigan, by its attorney, hereby request authorization pursuant to Section 1.415(d) of the Commission's rules to file Supplemental Joint Reply Comments in the above referenced proceeding. The purpose of the Supplemental Joint Reply Comments is to state that Bay-Lakes-Valley Broadcasters, Inc. and Great Lakes Radio, Inc. have agreed on a resolution of the issues between them in this proceeding and that there is no need for the Commission to discuss those issues in resolving the proceeding. In support of the acceptance of the Supplemental Joint Reply Comments, the following is submitted:

As reported in the Supplemental Joint Reply Comments, each of the above petitioners has agreed to eliminate the conflict existing between them over the reimbursement owed for changing the frequency of WCMM(FM) by reaching and executing a definitive agreement for reimbursement between them. Supplemental Comments

such as these have previously been accepted in rule making proceedings where the comments assist in resolving a conflict. See Benton, Tennessee, DA 91-692, released June 12, 1991 (Supplemental Comments acceptable, even though untimely, when filed to reflect an agreement among the parties to the proceeding); North Fort Raleigh and St. Mary's, Kansas, DA 91-754, released June 28, 1991 (Reply Comments received after the cut off dates accepted where the comments removed a conflict between the parties).

The acceptance of the Supplemental Joint Reply Comments will not result in any delay in service. In fact, an acceptance will lead to an earlier resolution of the proceeding since a conflict between the two parties has been resolved. Acceptance of the information contained in the Supplemental Joint Reply Comments will enhance the Commission's processes as it will allow for an expeditious resolution of this proceeding.

Wherefore, for the reasons above, Bay-Lakes-Valley Broadcasters, Inc. and Great Lakes Radio, Inc. respectfully request authorization pursuant to Section 1.415(d) of the Commission's rules to file the concurrently filed Supplemental Joint Reply Comments.

Respectfully submitted,
BAY-LAKES-VALLEY BROADCASTERS, INC.
